

Ask us About Thriftway's 1% Cash for the Community

At West Seattle Thriftway, we are proud to be able to give a little something back to our community with our 1% Cash Back program. It's our way of saying thanks to you, our valued customers.

West Seattle Thriftway will refund 1% of all purchases to your charity or non-profit organization.

The program is simple. Your church, youth group, social service organization, fraternal school group or school can fill out an application with the store management.

Get your family and friends involved too! Whenever they shop at Thriftway, have them save their receipts. Turn them in for 1% cash back. That's all there is to it.

It's a great way for your group to raise needed funds, just by shopping at Thriftway!
